

# Gandalla F1

## Semi-determinate Tomato

## Features

### Plant

Semi-determinate plant with good vigor and balanced habit. Outstanding cluster set and production stability ensure consistent development under various growing conditions.

### Fruit

Firm, elongated-oval fruits with bright red color. Predominantly XL and J calibers, with uniform ripening and excellent commercial appearance. Its firmness ensures good shelf life and easy post-harvest handling.

### Resistances

Fol: 0-2, Ma, Mi, Mj, St, Va, Vd

TYLCV, TSWV
